

Who we are:

Paul Herrick Post 21 is a non-political veterans organization dedicated to supporting local veterans and our community.

The American Legion was founded on our Four Pillars of Service:

- Veterans Affairs & Rehabilitation
- National Security
- Americanism
- Children & Youth.

Each of these pillars encompasses a variety of programs that benefit our nation's veterans, its service members, their families, the youth of America and ordinary citizens. These programs make a difference in hundreds of thousands of lives each year.

It's who we are and what we do!

Pvt. Paul Herrick, USMC, was the first Kenosha resident to die due to enemy action in WW II. He died on December 7, 1941, while serving aboard the USS Arizona. We recently had part of 58th Street Downtown named in his honor.
